CITIZENS RADIO AMATEUR CALL BOOK

508 SOUTH DEARBORN STREET
CHICAGO, U. S. A.

February 6th, 1928.

Dear Club Secretary:-

The International tests, February 6th - 19th, are going to stir up more interest in DX and message handling, which have slackened a bit during the past few weeks. A lot of the fellows will be hearing and working foreign stations whose addresses were not found in the first two issues of 1927, but which do appear in December 1927 number.

In order to show to the Amateur Operators that there IS a real up-to-date CALL BOOK on the market, we are repeating our previous offer to supply any Amateur Clubs with 10 or more copies at the rate of 70¢ each, f.o.b. Chicago. Some of the clubs are selling the book at the usual \$1.00 price and adding the profits to their club treasury. Others are allowing Club Members to obtain the book at cost, making this one of the benefits of club membership.

You will notice the cut of the AMATEUR BOOK in February QST, page 86. Our next number will be out about the middle of March, and the above offer applies to this as well.

We would be pleased to have an early order from you for this number.

Very truly yours,

CITIZENS RADIO AMATEUR CALL BOOK.
